NZPAC – Capitaine Tasman Voyage 2635S/2638N Delays and Amended Schedule

Dear Valued Customer,

PFL regrets to advise that **Capitaine Tasman Voyage 2635S** was delayed due to port congestion in Fiji and is now three days behind her proforma schedule on arrival in Tauranga.

To recover time in the schedule, **Capitaine Tasman Voyage 2638N** will have a shortened port stay in Auckland and omit her northbound Suva call.

We have made the following operational changes to deliver this:

- **All Fresh Produce and Reefer Cargo** destined for Suva will be discharged in Lautoka and transported by road to Suva.
- **All remaining cargo to Suva, as well as exports from Suva to Apia, Auckland and Tauranga,** will be transferred onto **Neptune Matua Voyage 2639**.
- Exports from Lautoka to Apia and Nuku'alofa will be loaded as per usual.

The updated schedule is as follows:

Vessel Voyage (ETA)	TRG	AKL	SUV	LTK	APW	NUK	PPG	TRG
Capitaine Tasman 2638	15-Oct	17-Oct	OMIT	22-Oct	26-Oct	28-Oct	OMIT	02-Nov
Neptune Matua 2639	19-Oct	21-Oct	26-Oct	28-Oct	02-Nov	OMIT	02-Nov	09-Nov

After carefully reviewing all available options, this approach allows us to accommodate cargo demand, while minimising wider network delays. Thank you for your understanding

Thank you for your continued support, should you have any further questions or queries please contact your PFL representative.

Sincerely,

PFL
