Weather Disruption due to Tropical Cyclone Vaianu

Dear Valued Customers,

We wish to advise of the current & potential impacts and delays from Tropical Cyclone 'Vaianu'.

The safety and wellbeing of our people is always our priority, and alongside our industry partners, we will continue to monitor the weather and review our operations to keep everyone safe.

While Suva port remains 'open', we are aware of operational & productivity delays due to limited operations in place. Meanwhile Lautoka port closed overnight and remains closed until further notice. There are likely to be further impacts to vessel movements, ports and depot operations in the coming days, firstly to Fiji and subsequently into New Zealand towards the weekend.

Thank you for your understanding. We are continuing to monitor the weather closely and will keep you updated of schedule changes. Should you have any further questions or queries, please contact your local PFL representative.

Sincerely,

PFL
