AUSPAC – Change of Rotation for MEL/SYD on NPD L Tahiti 2524

Dear Valued Customer,

Please be advised that due to crane issues and congestion issues encountered in Fiji during her previous voyage the NPD L Tahiti 2524 will amend her port rotation on the Australian coast to assist in rectifying her schedule.

Accordingly, NPD L Tahiti V2524 will now call Melbourne before Sydney. She will have fully operational cranes for this voyage.

The adjusted dates for this voyage are below and any changes to her forward schedule will be reflected in our weekly schedules updates.

Vessel (ETA)	Melbourne	Sydney	Brisbane	Noumea	Lautoka	Suva
NPD L Tahiti 2524N	7-Nov	10-Nov	12-Nov	17-Nov	21-Nov	22-Nov

We apologise for the inconvenience caused and thank you for your continued support and understanding.

Should you have any further questions or queries please contact your PFL representative.

Sincerely,

PFL
