

19th August 2026

NZPAC – Capitaine Tasman 2628 calling Pago Pago before Apia

Dear Valued Customer,

We regret to advise that the Capitaine Tasman 2628S faced prolonged operational delays in Lautoka. Based on her departure from Lautoka on 18-Aug, she will experience berth congestion in Apia. To mitigate the situation and avoid further delays she will counter rotate calling Pago Pago before Apia.

The updated port call dates are as follows:

Vessel Voyage	Lautoka (ETD)	Pago Pago (ETA)	Apia (ETA)	Nuku'alofa (ETA)
Capitaine Tasman 2628S	18-Aug	19-Aug	23-Aug	25-Aug

We acknowledge that this change will result in cargo disruptions. Our Customer Service team are available to provide ongoing support, and we also encourage customers to contact their PFL representative with any queries.

Sincerely,

PFL
