BUNKER ADJUSTMENT FACTOR (BAF)

NEW ZEALAND to PAPUA NEW GUINEA & Solomon Islands

Dear Customer,

Due to the trend in the price of bunker fuel over the last 12 months, the Swire Shipping BAF will increase as follows:-

Current BAF: 45.99%
Revised BAF:55.49%

The revised surcharge will apply for all consignments showing a Bill of Lading date of 10th March or later, on all Swire Shipping services from **New Zealand to Papua New Guinea / Solomon Islands**

We thank you for your understanding on the impact of bunker fuel prices and we appreciate your continued support.

For further information please do not hesitate to contact your local Swire Shipping representative.
