Pago Pago added to ANZPAC Service -Amendment

Dear Valued Customers,

Further to the recent trade notice please see the voyage amendment shown in red.

We are pleased to advise that Pago Pago will be added to the ANZPAC service as a regular port call.

The first voyage calling Pago Pago will be the Capitaine Tasman **084N**.

Our schedules and service maps have been updated on our website to reflect this addition. Please visit www.pacificforumline.com

We remain committed to Brisbane as the first Australian port once port disruption in New Zealand abates and will keep customers updated on this situation.

We would like to take this opportunity to thank you for your continued support.
