NZPAC Service enhancements from November 2024

Dear Valued Customer,

To improve schedule reliability, we are pleased to announce changes to our NZPAC service from November 2024.

The weekly scheduled berth windows in Tauranga and Auckland will move to Tuesdays and Wednesdays and in Suva and Lautoka we will move to Monday and Tuesdays. The new windows in New Zealand will also reduce berth waiting time, providing an additional buffer in our schedule. Together these changes will improve schedule reliability for customers in all ports - especially Apia, Pago Pago and Nuku'alofa.

These improvements will be phased in throughout November commencing in Auckland around mid-November and in Tauranga around the end of November with our transition schedule as follows:
