Schedule changes on NZPAC and NOUVAPAC services

Dear Valued Customers,

We would like to advise of necessary changes to our **NZPAC** and **NOUVAPAC** services to accommodate operational requirements and vessel maintenance.

NZPAC - PFL MATAI Voyage 007

Subject vessel will load all cargo as scheduled in Tauranga and Auckland and proceed to Fiji. In Suva she will discharge all cargo destined to Samoa and Tonga. She will then call Lautoka arriving on August 4th, where she will discharge her remaining cargo and then perform maintenance until around August 12th, before loading export cargo and returning to Tauranga.

Cargo on the PFL Matai 007 for Samoa & Tonga will tranship at Suva onto the Capitaine Magellan Voyage 047 commencing in Fiji. We estimate that Samoa & Tonga destined cargo will arrive within one day of previously advertised scheduled of the PFL Matai 007.

NOUVAPAC - CAPITAINE MAGELLAN Voyage 046N

In order to facilitate the above, this current sailing will call Noumea as scheduled and then continue onto Fiji, Suva and Lautoka and then complete her current voyage at Lautoka. She will return to Suva under voyage 047 to load PFL Matai 007 cargo for Samoa & Tonga.

The Capitaine Magellan will be out of our NOUVAPAC service for some time to accomplish the above and may also be operated elsewhere for several months.

We will advise you shortly of our replacement service to Noumea, Port Vila & Santo over this upcoming window.

We thank you for your understanding and patience as we undertake these necessary changes.

Should you have any further questions or queries please contact your PFL representative.

Sincerely,

PFL
