PFL Matai Schedule Delay Update

Dear Valued Customer,

We regret to advise that due to operational requirements, the PFL Matai V009N will not be sailing Auckland today and we hope to have a further update tomorrow morning.

With this further delayed departure, the ship is not able to arrive in Apia, discharge all cargo and make it available to importers, prior to the port closure for CHOGM, on the evening of the October 18th.

Consequently, we will now sail the ship to Suva, Fiji as originally planned and then call and discharge all Apia cargo in Lautoka. We will then redeliver Apia destined cargo on the Capitaine Magellan which will make a special voyage to Apia once the port re-opens from October 27th.

We apologise for the inconvenience caused, but we are working to find the fastest solution to have cargo delivered into the Samoan market and we thank you for your understanding.

PFL's team will be in contact with you to manage the coordination of your bookings in this regard.

Sincerely,

PFL
