New Zealand Terminal Handling Charge Increase

Dear Valued Customer,

Please be advised that our Terminal Handling Charge for New Zealand exports and imports will be adjusted from 1 September 2024. The change reflects the increase in cargo handling costs at Ports of Auckland and Tauranga. The revised rates are as follows:

Charge	20Dry	40Dry	20Reefer	40Reefer	Breakbulk
NZ Terminal Handling Charge	NZD460	NZD580	NZD550	NZD665	NZD26

In addition to we will also apply new charge called Auckland Terminal Infrastructure Levy on all cargo loaded/unloaded on our NZPAC service at Ports of Auckland. We have previously absorbed this cost however, to maintain current levels of service we will need to pass on this cost.

Charge	Per TEU
Auckland Terminal Infrastructure Levy (Cargo to Fiji, Samoa, American Samoa & Tonga)	NZD50

Thank you for your continued support, should you have any further questions or queries please contact your PFL representative.

Sincerely,

PFL
